Essential Eligibility Criteria

Paris Landing State Park

Moonlight Hike – Raptor Ridge

Program participants should be able to do the following independently or with the assistance of a companion or adaptive equipment:

- Understand and follow directions to avoid and/or manage risks.
- Tolerate low-light, dark woods while walking on uneven terrain with small rocks and roots.
- Move over terrain with inclines and declines; cross two wooden bridges for a total of up to 3.2 miles.
- Tolerate outdoor temperatures at night.
- Perform self-care including maintaining nutrition and hydration and managing risks, including temperature, insects and potential hazardous exposure to poisonous plants and harmful animals.
- Manage personal care and hygiene independently or with the assistance of a companion in the absence of restrooms and water sources on the trail.
-

Should you need additional assistance to participate,
Please contact the park or visit our website.
