

Essential Eligibility Criteria

Geology/4 Waterfalls Hike

Fall Creek Falls

Program participants should be able to do the following, independently or with the assistance of a companion or adaptive equipment:

- Understand and follow directions and instructions to avoid and/or manage risks
- Travel over and negotiate varied terrain for 3.5 miles in an estimated 3 hours
- Perform self-care including maintaining nutrition and hydration, personal hygiene, and managing existing medical conditions away from built facilities
- Be able to identify and recognize environmental risks, including but not limited to, falling objects/rocks, loose rock and unstable surfaces, steep and uneven terrain, cliff edges, and potentially hazardous animals, insects, and plants

Should you need additional assistance to participate, please contact the park or visit our website.
